CAREER OBJECTIVE

Passionate and self-motivated computer science student eager to apply technical skills in real-world challenges. A quick and consistent learner with excellent communication abilities. I aspire to leverage the skills acquired to contribute effectively while gaining valuable experience and enhancing my professional competencies.

EDUCATION

- **B.Tech Computer Science and Engineering (2022-2026)**
Malla Reddy Engineering College for Women, Hyderabad 8.92 CGPA
- **Intermediate in M.P.C (2020 – 2022)**
Narayana Junior College, Hyderabad 9.76 CGPA
- **SSC (2019-2020)**
Sri Chaithanya e- Techno School, Siddipet 10.0 CGPA

PROJECTS

- **Driver Drowsiness Detection**-The system enhances road safety by detecting driver fatigue in real time using high-resolution cameras and machine learning. Upon detecting drowsiness, it triggers alerts to prevent accidents and improve driving safety.
- **Gesture X**- An Indian Sign Language translation system that restructures English text into ISL grammar, removes stop-words, stems words, and maps them to sign images with synonym replacement for accurate, natural communication.
